Having had lately an opportunity to try and test your new scale Grand as well as Square Pianos, I cannot refrain, hesides relterating all I had occasion to say at a former period, from congratulating you on the important improvements you have introduced in the manufacture of Pianos. Your insruments combine all the qualities which are required to make a Piano as perfect as possible, and fully deserve the great popularity they have gained all over the conner. they have gained all over the country.
Yours truly, L. M. GOTTSCHALK. Wm. Knabe & Co .- Gentlemen: I cannot but congratulate you upon the immense pro-

gress and improvements which you continually make on your Planes, which, in my opinion, rank among the very best in the country. M. STRAKOSCH. Wm. Knabe & Co.—Gentlemen:
Our Opera Troupe are at present using four of your justly celebrated Planos, and as the exponent of the views and opinions of the various artists, permit me to

say: I consider them as unsurpassed in brilliancy and excellence, and pre-eminent, without a rival in this country or in Europe. Their superior quality of tone, combining great depth and powerful volume, with a rich and peculiarly clear and even treble, together with magic elasticity of touch and action, render them superior to the other instruments, which rarely, if ever, combine them pine to the other instruments, which parely, it ever, combine those most essential requisites.
